Dear Sir or Madam:

Due to a designation error, a check from New Millennium PAC to the Allyson Schwartz for Congress Campaign Committee in the amount of \$2,500 that was supposed to be designated for debt relief for the 2004 primary election was actually attributed to the 2004 general election. This contribution followed a previous check in the amount of \$5,000 that was also designated to the 2004 general election. Not realizing that the \$2,500 contribution was intended for debt relief for the 2004 primary election, a letter was sent to the Schwartz campaign (a hard copy of this letter was also sent to the FEC) requesting a \$2,500 refund, of what was thought to be an excessive contribution, only to find out after the letter was sent that the contribution should have been designated for primary debt relief.

New Millennium PAC has amended their July FEC report to reflect the change in designation for the \$2,500 contribution for the general election to debt relief for the 2004 primary election.

If you have any questions, please do not hesitate to contact the committee.

Sincerely,

Danielle Leigh
Finance Director, New Millennium PAC
